EDUCATION

- 2010 Ph.D. Anthropology, University of Connecticut, Storrs, CT
Fieldwork: Skåne, Sweden (August 2008 – July 2009)
Dissertation: “Values and Norms of Prosocial Behavior in Modern Sweden”
Doctoral advisor: Roy D’Andrade
- 2003 Ph.D. Philosophy/History and Theory of Culture, National University of Kyiv-Mohyla Academy (NaUKMA), Kiev, Ukraine
- 1999 M.A. Culture Studies, magna cum laude, NaUKMA, Kiev, Ukraine
- 1997 B.A. Culture Studies, magna cum laude, NaUKMA, Kiev, Ukraine

APPOINTMENTS

- 07/2020-present Head of Department of Sociology, Graduate Programme Coordinator for Sociology, National University of Kyiv-Mohyla Academy, Kiev, Ukraine
- 01/2016 - present Associate Professor, Department of Sociology, National University of Kyiv-Mohyla Academy, Kiev, Ukraine
- 07/2013-12/2015 Senior Lecturer in Medical Sociology, Department of Sociology, National University of Kyiv-Mohyla Academy, Kiev, Ukraine
- 03/2013 - present Research Scientist, Department of Anthropology, University of Connecticut
- 2010-01/2013 Visiting Faculty, Department of Anthropology, University of Connecticut
- 10/2008-05/2009 Guest Lecturer, Department of European Ethnology, Lund University, Sweden
- 2004-2010 Instructor of Record, Department of Anthropology, University of Connecticut
- 2003-2004 Teaching Assistant, Department of Anthropology, University of Connecticut

RESEARCH INTERESTS

Sociocultural factors in health, health disparities, social gradient in health, individual congruence with normative culture, coping-enhancing factors in incongruent individuals; Europe and migration, multicultural society and welfare state in Scandinavia, migrants in Sweden, acculturative pressures and mental health of non-European migrants in northern Europe; cultural normativity, intersubjectivity, internalization and personality structure; quantitative and mixed methods in social science, psychometric techniques; attachment theory and its ethnographic criticisms

ETHNOGRAPHIC AREA

Scandinavia, post-USSR territories, the United States

ACADEMIC HONORS AND FELLOWSHIPS

Doctoral Research Grant (2019-2020)
Scientific Achievement Award in Social Sciences, February 2019
Award for International Peer-Review Publications, 2018
Award for International Peer-Review Publications, 2017
Scientific Achievement Award, December 2016
Martha Turchin Award for International Peer-Review Publications, 2016
Martha Turchin Award for International Peer-Review Publications, 2015
Martha Turchin Award for International Peer-Review Publications, 2014
Society for Anthropological Sciences Student Paper Prize and Travel Subsidy, 2010
Extraordinary Expense Award, 2009
Doctoral Dissertation Fellowship Award, 2007
Department of Anthropology Summer Research Fellowship, 2007
Department of Anthropology Summer Research Fellowship, 2006
Department of Anthropology Predoctoral Fellowship, 2005
Department of Anthropology Summer Fellowship for Language Study, 2004
Dean's List, MA Programmes, 1998
City of Kyiv Mayor's Award for outstanding achievements in studies, 1996
Dean's List, Fall 1995-Spring 1996

TEXTBOOKS

Maltseva, K. (2016) Society and individual health (electronic resource for teaching BA and MA level courses, in Ukrainian).

MANUSCRIPTS UNDER REVIEW

Maltseva, K. Measuring shared collective knowledge and belief systems (chapter in *Cognition in and out of the Mind: Cultural Models Theory* (Giovanni Bennardo, Victor deMunck & Stephen Chrisomalis Eds.), CUP/MIT).

Maltseva, K. Linking social stress, health and social behavior through the lens of evolution (*Scientific Papers of NaUKMA: Sociology since June 2022*).

Maltseva, K. Stress, adaptation and causal pathways to mental health disparities: Differential effects of ontologically ancient and modern stressors on measures of positive and negative mental health (*Journal of Cognition and Culture since September 2021*)

Середа, П., & **Мальцева, К.** Using methods of multidimensional analysis to research decision making in academic career choice (*Sociology: Theory, Methods, Marketing since February 2021*)

MANUSCRIPTS IN PREPARATION

Kuchynskyi, O., & **Maltseva, K.** Using free-listing procedure to develop measurements of collective constructs

Kuchynskyi, O., & **Maltseva, K.** Cultural models and sociocognitive approach to culture in sociology

Maltseva, K. Biocultural research and cultural models: Distribution and transmission of health-related knowledge and practices in a Ukrainian sample

Maltseva, K. Values research and plural subject theory

Maltseva, K. & Pugacheva, O. How to prepare your thesis (book manuscript).

SELECTED RESEARCH PROJECTS AND FIELDWORK EXPERIENCE (2006-PRESENT)

Social determinants of health and socioeconomic inequalities in health (commissioned by the Ministry of Education of Ukraine (August 30, 2021 – December 08, 2021), co-PI).

Social determinants of health and cumulative effects of social inequality in health (PI, Kiev, Ukraine, starting Fall 2019)

Cultural consonance in leisure activities among the student population at NaUKMA (PI, Kiev, Ukraine, Spring 2019)

Social comparison, cultural homogeneity and congruence with culture (PI, Kiev, Ukraine, Fall 2018)

Examining the effects of individual and collective values congruence on positive and negative mental health among the NaUKMA undergraduates (PI, Kiev, Ukraine, Spring 2018)

The effects of the new regulation about academic rating and student stipend on patterns of cooperation and competition among the students of Kiev city (PI, Kiev, Ukraine, Fall 2017).

Cognitive model of romantic relationships among the NaUKMA students: “red flags” and “deal breakers” (PI, Kiev, Ukraine, Fall 2017)

The effects of students’ academic career on anxiety (PI, Kiev, Ukraine Spring 2016)

Stress process, chronic stressors in the university environment and stress coping resources among the undergraduates (PI, Kiev, Ukraine Fall 2016 – Spring 2017)

Social determinants of positive and negative projected ideations about the future (PI, Kiev, Ukraine Fall 2016)

Individual education level and changes in religiosity (cognitive aspects) (PI, Kiev, Ukraine Fall 2016)

Major stressors and social determinants of stress and coping in undergraduate student life (PI, Kiev, Ukraine, Spring 2016 – present)

Social determinants of undergraduate SWB (PI, Kiev, Ukraine, Fall 2015, pilot)

Congruence with societal standards and individual mental health in societies in transition (PI, Kiev, Ukraine, Fall 2013 – present)

Cultural normativity and personality dimensions (in collaboration with Gerard Saucier (Department of Psychology, University of Oregon; Fall 2012 – present)

Cultural consonance, internalization and etiology of depressive symptomatology (PI, Storrs, CT, Fall 2012)

Consonance with cultural models and psychological flourishing (PI, Storrs, CT, Spring 2012)

Cultural models of college education among the undergraduate students (PI, Storrs, CT, Fall 2011)

Gender differences in perceived infidelity in romantic relationships (PI, Storrs, CT, Fall 2011)

Honesty, empathy, and SWB (PI, Storrs, CT, Spring 2011)

Subjective values orientations and psychological well-being (Storrs, CT, Fall 2010 co-PI with Roy D'Andrade)

Attachment style, optimism and network size (Storrs, CT, Spring 2010) Advisor: Roy G. D'Andrade

Prosocial norms and their relationship to empathy and ToM (Storrs, CT, Spring 2010)

Advisor: Roy G. D'Andrade

Values and norms of prosocial behavior in modern Sweden (Skåne, Sweden) (08/2008 – 06/2009)

Advisors: Roy G. D'Andrade, Orvar Löfgren, Jonas Frykman

Perceived parental investment in childhood and its effect on internalization of parental values (Storrs, CT, Spring 2008) Advisor: Roy G. D'Andrade

Slavic values profile (Kiev, Ukraine, June-August 2007)

Advisor: Roy G. D'Andrade

American values profile (Storrs, CT, Fall 2006)

Advisor: Roy G. D'Andrade

Ukrainian values: pilot study (Kiev, Ukraine, July-August 2006)

Advisor: Roy G. D'Andrade

Multiple projects in Evolution and Cognition Lab (University of Connecticut, Storrs, 2003-2006)

SELECTED CONFERENCE PRESENTATIONS

Maltseva, K. “Socioeconomic status and causal pathways to health disparities” Panel: Culture, knowledge, and social justice: generating an informed dialogue between policy makers and local communities. Old Discipline, New Trajectories: Theories, Methods and Practices in Anthropology. Vilnius University, Vilnius, Lithuania. June 16-18, 2022.

Maltseva, K. “Measuring shared collective knowledge and belief systems”. Cultural Model Theory: Shaping a New Anthropology Workshop, Northern Illinois University, DeKalb, Illinois, May 18-22, 2022.

Мальцева, К. «SES effects in health of Ukrainian population during COVID-19». «Social consequences of COVID-19 pandemic: Sociological aspects». Online Conference. Online Conference, National Academy of Sciences Institute of Sociology, Kyiv, Ukraine, November 12 2021.

Maltseva, K. “Culture, socioeconomic disadvantage and causal pathways to mental health disparities“ European Annual Meeting of the Network for Psychological Anthropology (ENPA), University of Helsinki, Finland (1-3 June, 2021)

Maltseva, K. “Internalized Cultural Models and Mental Health“. Response Profiles as Indicators of Cultural Models, Internalization, and Normativity. The 22nd Congress of the International Association for Cross-Cultural Psychology. Reims, France (July 14-19, 2014).

Maltseva, K. “Internalization of cultural models and psychological flourishing”. The 111th Annual AAA Meeting, San Francisco, CA, November 14-18, 2012.

Maltseva, K. “Deviation from internalized social norms predicts poorer mental health”. Paper presented at the 24th Annual Meeting of the Human Behaviour and Evolution Society, June 13-17, 2012 Albuquerque, NM.

Maltseva, K. “Empathy, honesty and happiness: Evolutionary traces of the relationship.” Oral presentation at the 110th Annual AAA Meeting, Montreal, QC, Canada, November 16-20, 2011.

Maltseva, K. “Prosociality, norms and mental health in Swedish welfare state”. Paper presented at the Society for Psychological Anthropology Biannual Meeting, Santa Monica, CA, March 31- April 3, 2011.

Maltseva, K. “Cross-cultural comparison of values by means of quantitative methods”. Paper presented at the Annual Meeting of Society for Anthropological Sciences and Society for Cross-Cultural Research, Charleston, SC, 16-19 February 2011.

Maltseva, K. “Social support, social learning and circulation of prosocial ideas”. Oral presentation at the 109th Annual AAA Meeting, New Orleans, November 17-21 2010.

Maltseva, K. “Social support available predicts perceived cultural saliency of prosocial ideas but not perceived normativeness of prosocial behaviour”. Paper presented at the 22nd Annual Meeting of the Human Behaviour and Evolution Society at the University of Oregon, Eugene, June 16-20 2010.

Maltseva, K. “Social support, values and norms of prosocial behaviour in Sweden”. Paper presented at the Annual Meeting of Society for Anthropological Sciences and Society for Cross-Cultural Research, Albuquerque, New Mexico, February 17-20, 2010.

Maltseva, K. “Collective values and values of collectivities”. Paper presented at the Society for Anthropological Sciences Annual Meeting, New Orleans, February 20-23, 2008.

Maltseva, K. “Collective and individual level values: validity issue”. Paper presented at the SPA Biannual Meeting, Los Angeles, CA, March 8-11, 2007.

Maltseva, K. “Being a good person: American values profile”. Paper presented at the 105th Annual AAA Meeting, San Jose, CA, November 15-19, 2006.

Maltseva, K. ”Tycker du om mig? Marriage in Scandinavian countries”. Poster presented at the 104th Annual AAA Meeting, Washington, DC, Nov. 30-Dec. 4, 2005

Maltseva, K. and J. Boster “The importance of being Swedish: Judgments of national character in Scandinavia”. Paper presented at the SPA Biannual Meeting, San Diego, CA, April 7-10, 2005.

Maltseva, K. and J. Boster “The importance of being Swedish: Judgments of national character in Scandinavia”. Paper presented at the 103rd Annual AAA Meeting, Atlanta GA, Dec. 15-19, 2004.

PANELS CHAIRED AND CONFERENCE ORGANIZATION

BIHSENA Second International Conference "Health and societal perspectives in academia and beyond" (May 23, 2018) (Kiev, Ukraine)

"Psychological data obtained in non-psychological fieldwork". The Society for Psychological Anthropology Biannual Meeting, Santa Monica, CA, March 31- April 3, 2011 (also as discussant and panel organizer).

"Topics in the Anthropological Sciences I". The Society for Anthropological Sciences Annual Meeting, Charleston, SC, February 16-19, 2011.

"The individual and the group". The Society for Anthropological Sciences Annual Meeting, New Orleans, LA, February 20-23, 2008.

COLLOQUIA AND INVITED TALKS

Maltseva, K. "Internalized cultural models and mental health" Colloquium for Sociology Department faculty and researchers at KIIS, NaUKMA, Spring 2014.

Maltseva, K. "Internalization of normative culture, cultural consonance, and mental health". Invited talk at the Department of Anthropology and Classical Studies, University of Akron, OH, January 23, 2013.

Maltseva, K. "Human sociality, culture consensus and prosocial ideas in Sweden". Annual Colloquium at the Department of Anthropology, University of Connecticut, Storrs, April 17, 2010.

Maltseva, K. "Fieldwork experiences". Colloquium on methods of ethnographic data collection for Masters Students (MACA, joint graduate program in Cultural Analysis with the University of Copenhagen), Lund University, Sweden. December 11, 2008.

Maltseva, K. "Values and norms of prosocial behaviour in Sweden: research design". Colloquium at the Department of European Ethnology, Lund University, Sweden. September 25, 2008.

RESEARCH RELATED TRAINING

2012 Data Management Workshop (University of Connecticut)

2012 Tests and Measures for Psychology Workshop (University of Connecticut)

2007 Workshops on Methodology for Interdisciplinary Research. Statistical and Mixed Methods for Cultural Research (Ashley Maynard, Thomas Weisner, and Stephanie Reich) Biennial Meeting of the Society for Psychological Anthropology, Los Angeles, CA

2006 Introduction to SPSS Workshop (Roper Center for Public Opinion, University of Connecticut)

2006 Introduction to SAS Workshop (Roper Center for Public Opinion, University of Connecticut)

INTERNATIONAL EDUCATIONAL PROJECTS

Bridging Innovations, Health and Societies: Educational Capacity Building in the Eastern European Neighbouring Areas (BIHSENA) Maastricht University, the Netherlands (Jan. 2016 – Oct. 2018)

EXTRAMURAL FUNDING

Doctoral Dissertation Research Grant, “Повіп у себе” Foundation (09/2019-09/2020)

TEACHING EXPERIENCE

National University of Kyiv-Mohyla Academy, Kiev, Ukraine

<i>Department Head</i> , Department of Sociology	Fall 2020 – present
<i>Associate Professor</i> , Department of Sociology	Spring 2016 – present
<i>Senior Lecturer</i> , Department of Sociology	Fall 2013 – Fall 2015

BA courses (courses marked * are designed as a new contribution to curriculum):

- Human Social Evolution* (Fall 2014, 2015, 2016, 2018, 2020, 2021)
- Sociology of Medicine and Health Care* (Spring 2015; Fall 2015, 2018, 2020)
- Sociology of Health and Illness* (Spring 2015, 2016)
- Values Studies in Social Sciences* (Spring 2015, 2016)
- Cognitive Anthropology* (Spring 2019)
- Culture, Language and Cognition* (Fall 2018)
- Ethnographic Research in Social Settings* (Fall 2016, 2018, 2020)
- Social Psychology* (Spring 2017, 2019, 2021)

Graduate and Postgraduate Courses:

- Proseminar in Empirical Research in Social Sciences (MA, annually since Fall 2021)
- Methodological Seminar in Research Design (MA, annually since Fall 2021)
- Social Epidemiology of Mental Disorders* (School of Public Health, Spring 2021)
- SWB Research in Social Sciences* (MA, Fall 2014; Fall 2015; Spring 2017)
- Sociology of Mental Health and Illness* (MA, Fall 2014; Fall 2016)
- Health, Culture and Society* (MA, Spring 2015, 2016)
- Seminar in Mixed Methods* (MA, Summer 2015-2018, Fall 2020, Spring 2021)

- Mixed Methods Lab* (PhD, workshop April 8, 2015)
- Quantification in Ethnography* (PhD, workshop May 27, 2015)
- Research Design, Method and Practice of Fieldwork* (PhD seminar)
- Quantitative Methods Lab* (research lab for PhD students in Sociology)

PhD Seminars

- Doctoral Research Seminar (Spring 2020)
- PhD Seminar on Methods (Fall 2020-Spring 2021)

Other Courses Designed and Taught at NaUKMA:

- Principles of Research Design (MA, Fall 2013; Spring 2016)
- Contemporary Ethnographic Research Methods (MA, Spring 2014)
- Introduction to Sociology I (BA, Fall 2013, with Dr. Victoria Bondar)
- Introduction to Sociology II (BA, Spring 2014)
- Sociology of the Family (BA, Fall 2013)
- Social Anthropology (BA, Summer 2014; Summer 2015; annually since Spring 2016)
- Scientific Research Methodology (MA, Spring 2016)
- Qualitative Methods I (BA, annually since Fall 2018, with Dr. Victoria Bondar)
- Qualitative methods II (BA, annually since Spring 2019, with Dr. Victoria Bondar)

University of Connecticut, Storrs, CT, USA

Visiting Faculty, Department of Anthropology

Fall 2010 – January, 2013

Instructor of Record

Fall 2004 – Fall 2010

Courses Designed and Taught:

- Cognitive Anthropology (Fall 2007, Spring 2010, Fall 2011)
- Culture, Language and Thought (Fall 2004, Fall 2006, Spring 2008, Summer 2011, Spring 2012, Summer 2012)
- The Evolution of Social Cognition (Fall 2012)
- Graduate Seminar in Evolution of Social Cognition (Fall 2012)
- Field Research in Social Settings (Spring 2012, Fall 2012)
- Introduction to Anthropology (May 2007, May 2008, 2011, winter 2011, 2013)

- Psychological Anthropology (Fall 2007, Spring 2010, Summer 2011, Fall 2011)
- Social Anthropology (Spring 2008, May 2012, winter 2013)
- Writing Seminar in Social Anthropology (Fall 2004-Spring 2005, Fall 2005-Spring 2006, Spring 2007, Fall 2009, Fall 2010, Spring 2011)
- Medical Anthropology (course prospectus)
- Migration and Mental Health (course prospectus)

Syllabi for new courses:

- History of Anthropological Theory
- Ethnographic Methods I: Qualitative Data Analysis
- Ethnographic Methods II: Quantitative Methods Lab (undergraduate/graduate)
- Culture and Mental Health/ Culture and Psychoanalysis (graduate)
- Society and Mental Disorder (graduate)
- Evolutionary Medicine
- Europe and Migration

University of Connecticut, Storrs, CT, USA

Teaching Assistant, Department of Anthropology

Fall 2003 – Fall 2004

Courses Assisted:

- Culture, Language and Thought (Spring 2005)
- Introduction to Anthropology (Fall 2003, Spring 2004, Spring 2006)

University of Lund, Sweden

Guest Lecturer, Department of European Ethnology

Fall 2008-Spring 2009

Courses Designed and Taught:

- Perspectives on Europe/Becoming European (Spring 2009)

GUEST LECTURING

“Social determinants of health and health disparities”. School of Public Health, National University of Kyiv-Mohyla Academy, February 2, 2020.

“Overview of Contemporary Social Anthropology”. Department of Culture Studies, National University of Kyiv-Mohyla Academy, by invitation of Prof. Tetiana Golitchenko, October 16, 2013.

“Introduction to Human Diversity” Department of Anthropology, University of Akron, OH, by invitation of Prof. Carolyn Behrman, January 23, 2013.

“The Evolution of Human Language” University of Connecticut, Storrs by invitation of Prof. Pamela Erikson, Spring 2012.

“The Development of Cognitive Anthropological Theory” University of Connecticut, Storrs by invitation of Prof. Francoise Dussart, Fall 2011.

“Formation of European Collective Identity” Lund University, Sweden by invitation of Prof. Orvar Löfgren, Spring 2009.

SUMMER SCHOOLS

School of Public Health Certificate Programme for medical Professionals, NaUKMA:

- “Social determinants of health” (November 13, 2021)

School of Public Health Certificate Programme for medical Professionals NaUKMA:

- “Social determinants of health” (September 19, 2020)

Lokus Summer School on Methods (August 1-4, 2019):

- “Theory and data link in empirical research” module (August 1, 2019)
- “Mixed methods” module (August 2, 2019)

School of Public health Summer School for medical Professionals (July 2019):

- Health disparities (July 5, 2019)

Guide to Practical Science: NaUKMA Summer School in Quantitative and Qualitative Methods (June 19-23, 2018):

- “Research ethics and working with human subjects” module
- “Data management” module
